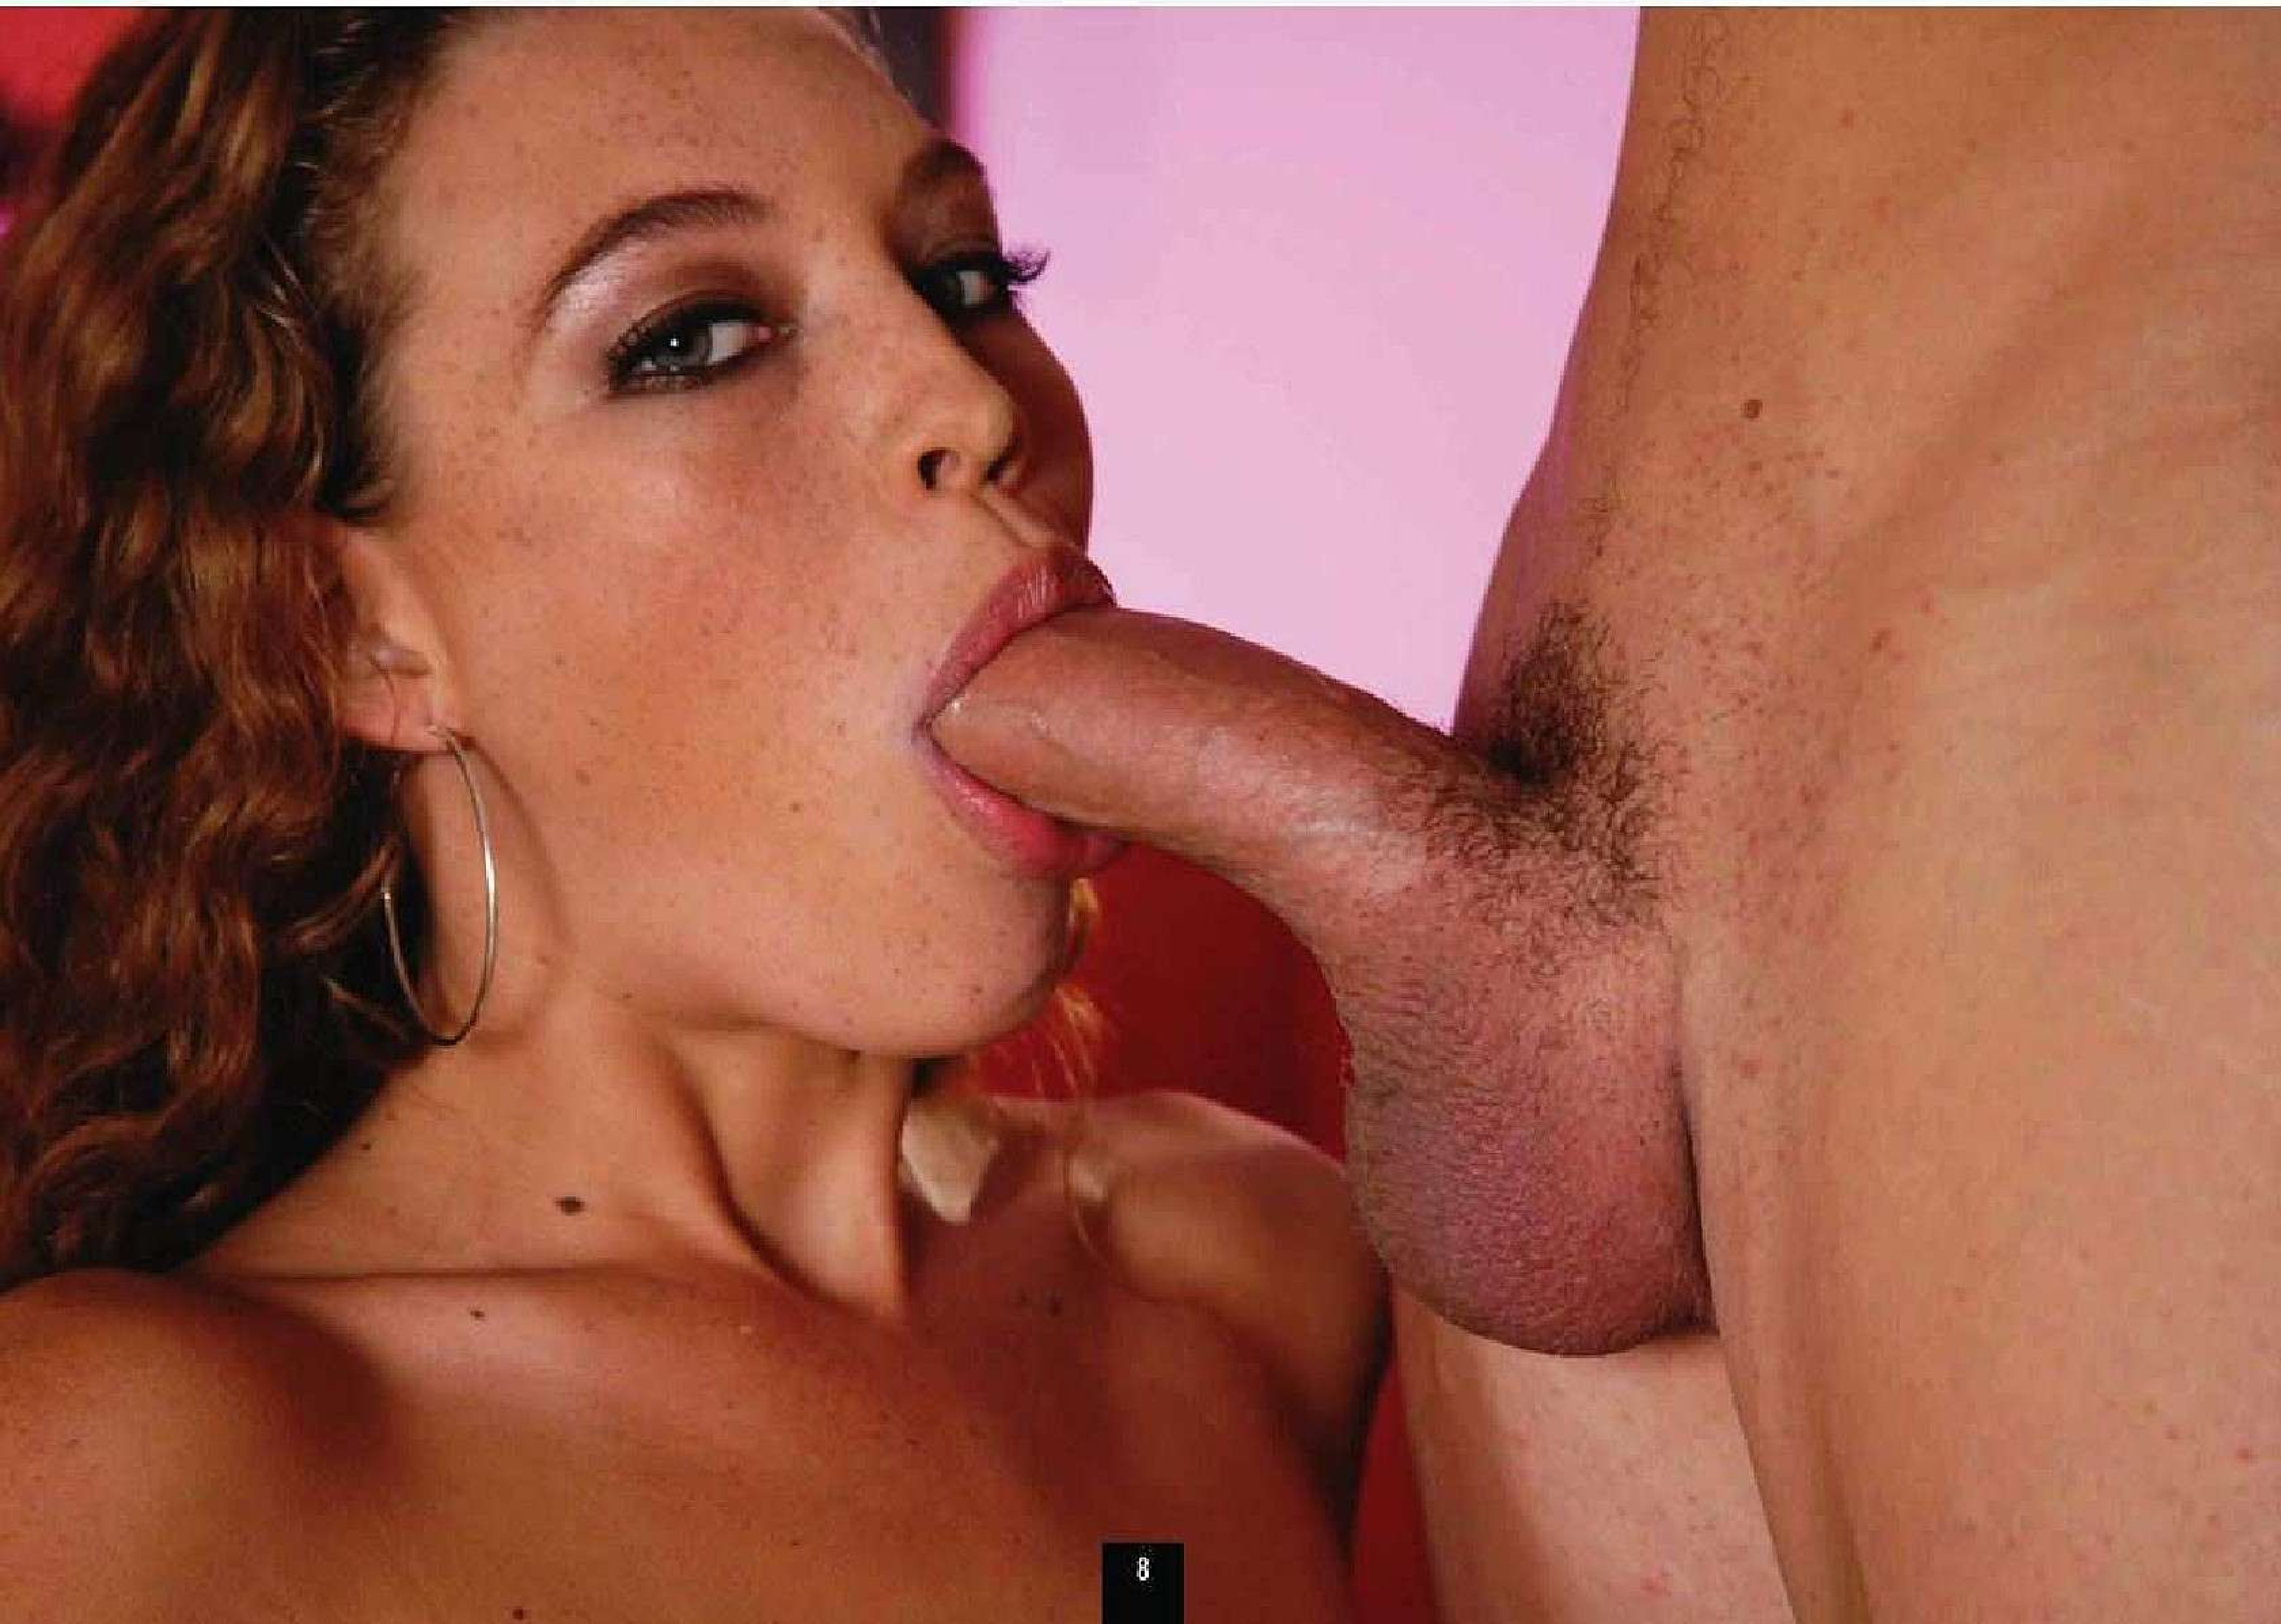
Ashley had gotten used to being alone since her husband decided to make the army a career. Months often pass until she gets a good helping of his cock and for this wife, that's definitely not enough.

So, she ran something by her hubby a few years ago and he just couldn't say no. If he was going to leave her alone for long stretches, then he should also understand that she was going to get her itches scratched elsewhere. The solution she came up with since they were both very patriotic, was to only fuck recently returned veterans who could use a little pussy comfort. Hubby agreed, as long as she shared the details.

Ashley

A Warm Welcome

The true definition of the
All-American Girl.
Naughty and nice.



This sergeant just got back from Afghanistan where he handled heavy artillery. Well, he sure was packing heat.

Ashley can't wait to tell her husband how one of his men almost split her into two.

This is one great gal, she sensed her fuck partner was getting a little tired, out of practice perhaps, so she took over the thrusting.

This is a woman who loves her *cun*try. Give her a call, she's always lonely and ready.

Cassey

Office Affairs

Cassey had just started working for a powerful lawyer, her first job since she got married last year. Her husband, being the jealous type really didn't want her to work in an office with a bunch of horny guys who he knew would try to bang his pretty, young wife.

It didn't take long for his worst fears to come true as Cassey was really turned on by her boss, so turned on that it was she that initiated the sex by taking these pictures and leaving them on his desk. The next thing on the desk was her legs.

Could you resist this little nympho? We didn't think so.

almostbasic

He just had to get a taste of her sweet, hot pussy and Cassey wasn't about to stop him.

She felt so naughty, cheating on her new husband, but boy did her boss' cock feel great.

QTY 100 P

She came so hard while he slammed her from behind. This guy hit all the right spots.

Do you have any work for this eager little beaver?

THE FUCKERS CLUB

My bitch of an ex had smashed my cellphone, so I borrowed one of my buddy's for a couple of days until I got a replacement. And on Day 2, I got a message on his cell that made me forget all about my ex, and think about nothing but sex.

I was flipping through some skin mags at a store downtown when the phone started vibrating in my pocket, warming my dick up even more. I hadn't had pussy in a month, and I was hungry.

The text read: 'Gang-bang at Dave's. Danielle is putting out.'

I stared at the tiny screen, hardly believing what I was reading. My buddy was a certified public accountant, for Christ's sake. But sure enough, there was a 'Dave' in his contact list, complete with a home address.

I shelved the Hustler, raced out of the store, and lead-footed it on over to Dave's place, using my GPS as my guide.

I still thought it was some kind of joke, when I pulled up outside Dave's house in the 'burbs. My buddy had a wife and kids, after all.

But there were cars parked up and down the tree-lined street in front of the two-storey home. And when I walked in the cracked-open front door, followed the sounds of voices down the stairs into the basement, I quickly became a believer. This skinny, black-haired skank was stretched out on her back on a short padded bench in the middle of the room, one dude dick-deep in her pussy at one end, another guy just about full-length in her mouth at the other end.

I gulped, shocked and amazed. The girl was getting pushed back and forth on the bench by the force of the two thrusting cocks, pussy leaking juice from around the one fat slammer, mouth drooling saliva from around the other pink pumper. Both guys were fucking her sexholes hard. While five or six other men stood in line behind each of them, hard-on's in their stroking hands.

The fucked-up slut was totally naked, her twat shaven smooth, little tits capped by jutting pink nipples. Her arms were inked with tattoos from her bony shoulders to her skinny wrists, her nipples pierced with purple barbells, her bellybutton and top of her pussy with silver rings.

The one guy was shouldering her legs and hammering his cock into her cunt, while the other guy held down her head and stuffed his prick in and out of her mouth. I watched them fuck her, then come in her. They jerked and blasted almost at the same time, shooting the slut's mouth and throat full, deep-creaming her pussy. The smell of sex funked the whole basement. I might've left right then and there; this was like nothing I'd been a part of before, and I could hardly believe my good buddy was a part of it. Except that my cock had gone hard as a slab in my pants, just from watching. I hadn't had pussy in a month. I got in line.

By the time I finally made it to the whore's mouth, she was a total mess. Her head hung down over the end of the bench, her face beet-red, mascara streaking down from her glazed violet eyes, snot streaming out of her gasping nostrils. She was getting rocked to and fro by the guy pumping her gash at the other end. Her mouth gaped open.

I speared my dong inside, shooting down her throat to the balls. "Jesus!" I yelped.

The bitch was like a drain, no gag reflex at all. My dick got buried in heat and moistness. I grabbed her razor-cut bangs and fast-fucked her face, balls slapping her nose.

It was sick, twisted, perverted … fucking wild! I don't know who she was or how much she was getting paid, if anything. But she was getting it all from me and the dude in her pussy, the pair of us driving her hard.

Her smeared, purple-painted lips slid up and down my shifting shaft, mouth and throat tight and juicy as cunt. I was ready to blow my load after only a minute or so of awesome, depraved oral.

But I wanted pussy. I wanted to bury my cock in the slut's steaming cunt and blow off my blue balls there.

So I pulled out of her mouth, ran around to the other end. She swore, and so did the next guy in line at her twat. But just then the black dude fucking her shouted and shot, emptying his balls inside of her. I hit her slit right after him.

It was disgusting – sloppy who knows how many. But it was cunt, and I was sack deep in it, her hot, mushy tunnel swallowing up my needful rod. I slammed back and forth, screwing the bitch.

This time, I wasn't holding anything back. She had another cock already bulging her cheeks and plowing her throat, and I felt her thighs tighten around my waist, as that guy prematurely went off with a whimper, coating her windpipe.

I pumped in a frenzy, then spasmed myself, suddenly shocked by massive orgasm. The whole crazy gang-banging scene intensified everything. I blasted round after round into the girl's twat, rocked back on my heels by the force of my ecstasy.

She was calling for guys to step up to her ass when I staggered out of there.

I made sure I added my own email address to that kinky mailing list, before I gave my buddy back his phone.

Shyla

Neighborhood Whore

Shyla's got quite the reputation around town. She's known as the woman who fucks everyone's husband except her own. When the neighborhood men feel like getting down and dirty, there's only one address they seek out.

Her husband, being the oblivious buffoon that he is, has no clue what his wife does on her new kitchen counters every day.

Shyla's what you would call an energetic lay, always eager to take control of the session.

This lady's just addicted to cumming hard.

Funny thing is, she doesn't even get along with this guy on a day-to-day basis. If it wasn't for his cock, they would never talk at all.

She always finishes them off in her hot mouth Do you have anything you want to give her?

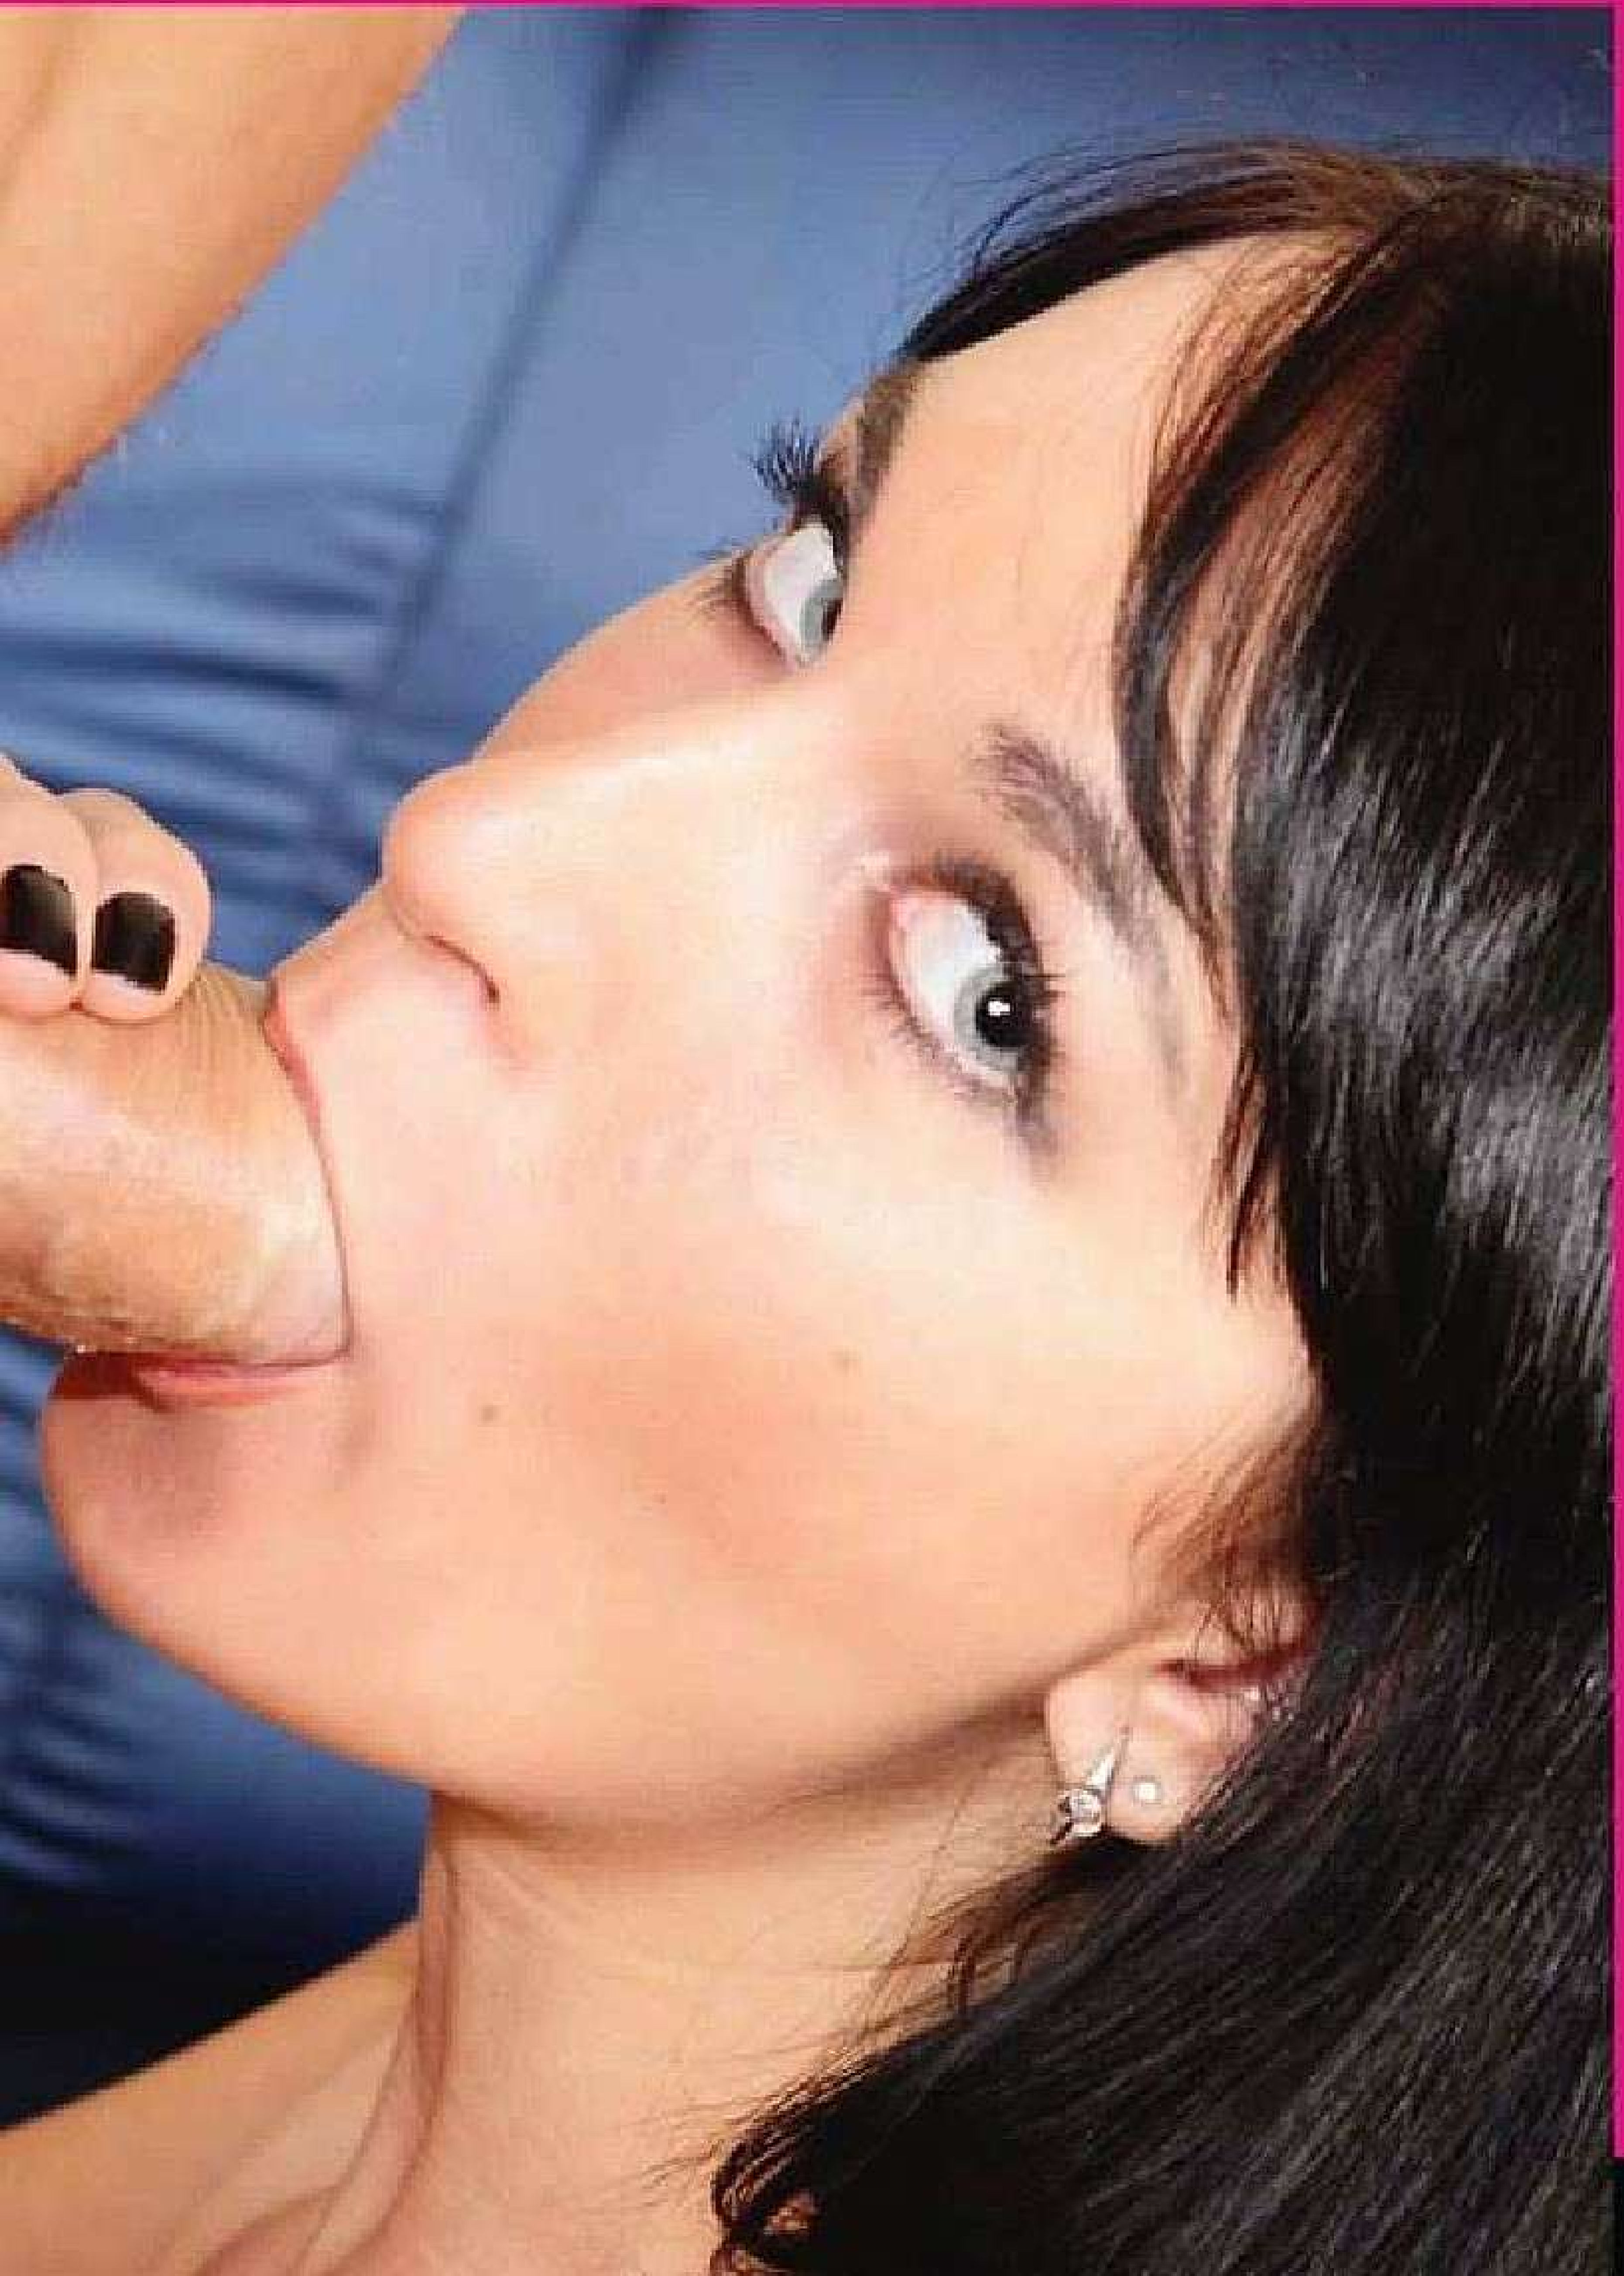
800-495-7588

Sharon

Mail Order Slut

Svetlana needed to get out of Russia, so like many other impoverished girls in her country she offered herself up as a mail order bride. With her smoldering good looks, she was snapped up in minutes and started her new life in America. She changed her name to Sharon as nobody could pronounce her real one. She tried to be the faithful wife but old habits die hard.

In Russia, Sharon learned the value of her pussy a long time ago. From bread, to vodka, spreading her legs got her what she wanted. It was a lesson she brought with her to America and whenever she thought she deserved a little extra, the panties, they came off in a hurry.



She had often told her husband that she would suck his balls for a new air conditioner, but, he never listened, now she's going straight to the source.

A few well placed licks on his cock got her a discount. Allowing him inside her was going to make it free.

If it's the deluxe
model she wants,
she's going to have to
work a little.

This was always this little whore's favorite position.
It makes her feel like a bitch in heat.

With a new air conditioner to cool off her freshly creamed pussy, Sharon is finally happy. Do you have something you want to give her?

Aurora

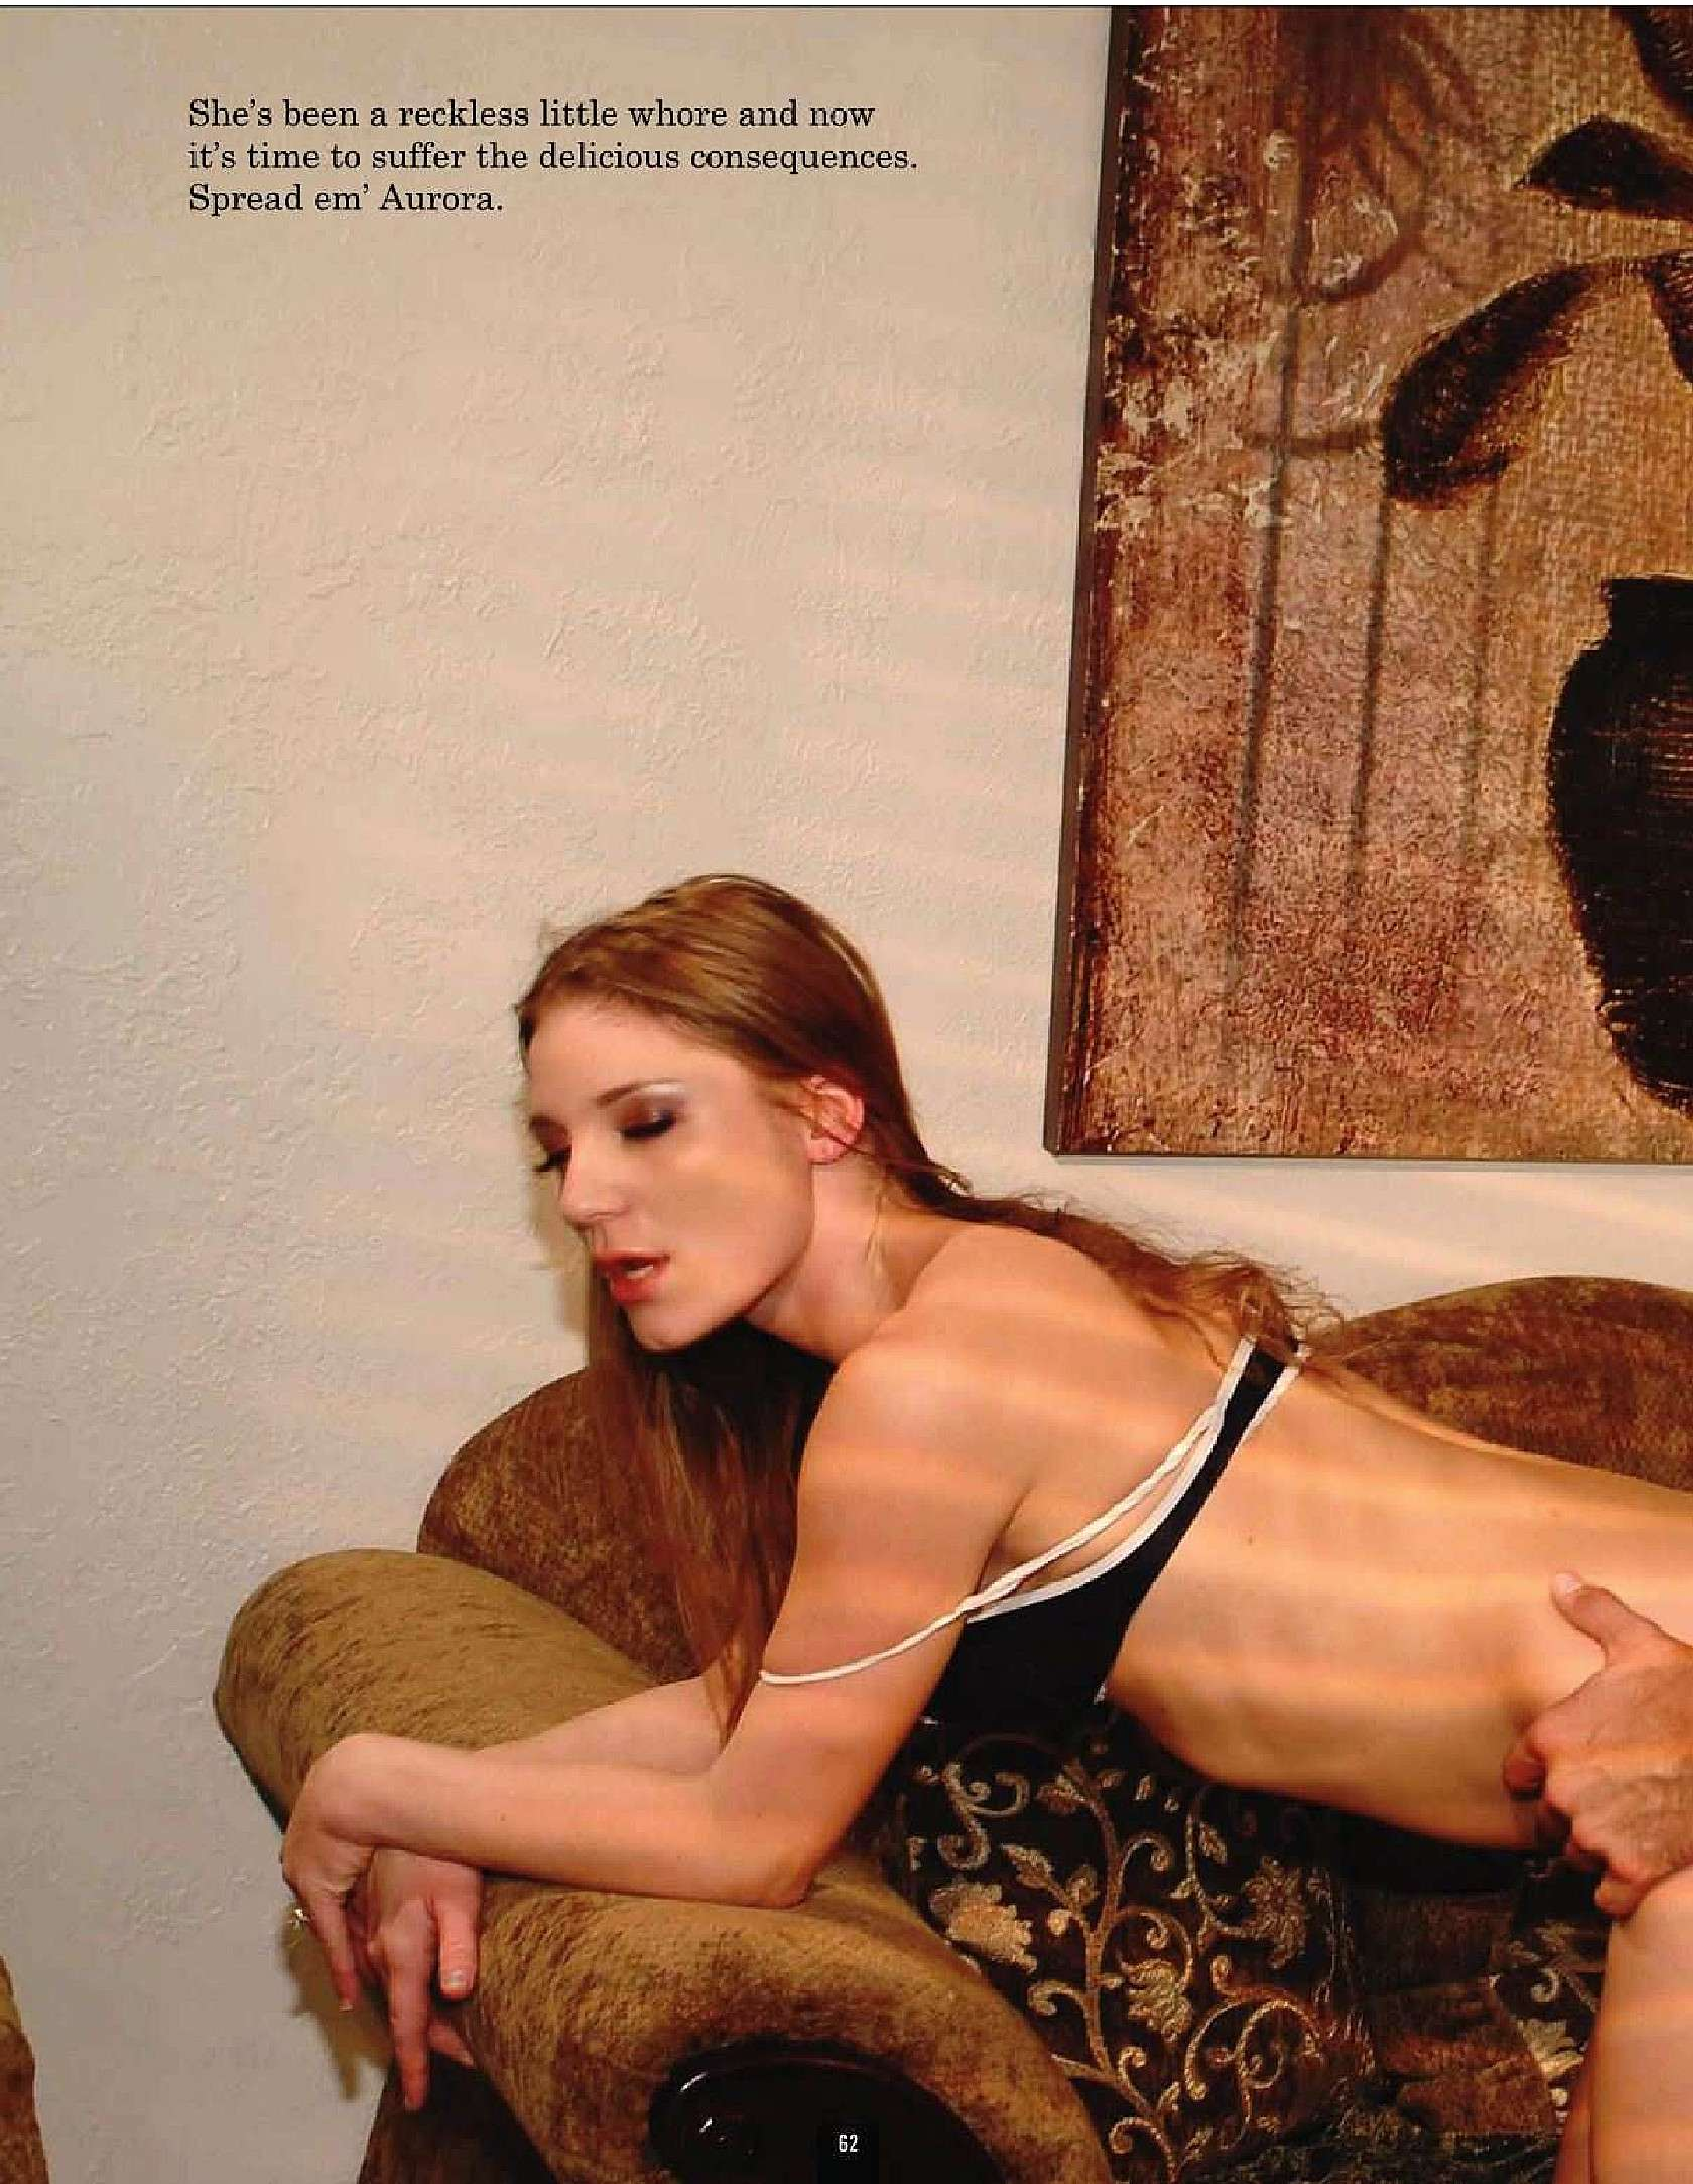
Getting Out Of A Ticket

Aurora's never been a very careful driver. She's been in a few wrecks because she's so careless and she considers the speed limit optional. Needless to say that gets her pulled over quite a bit. Tired of hearing her husband whine about the expensive tickets she kept getting, Aurora discovered that most cops accepted another form of payment. The great thing is she discovered she loved the new way as well, so much so that now she keeps getting tickets on purpose.

Once they get a look at her tight, young body, the cop is usually ready to make a deal on the spot.

There's nothing Aurora loves more than sucking their night sticks.

She's been a reckless little whore and now it's time to suffer the delicious consequences. Spread em' Aurora.



Aurora thinks this guy fucks so good, she must commit some more violations on his beat in the very near future.

With an incentive like this, you can't afford not to buy some of Dillan's merchandise. After all, you've gotta give her a try.

Lisa

Young Bride Old Story

Lisa got married to her childhood sweetheart and all was great at first. Soon however, love turned to boredom and petty little squabbling about toothpaste caps, finances and toilet seats. Fucking quickly became less frequent and she found herself wondering about other guys. It was only a matter of time until some Romeo bagged her.

Her pussy needed a new distraction, a new admirer that wouldn't take her for granted.

Her mouth needed to taste a different cock.

She needed to be filled by a new stud.

She needed sex to be raw
and exciting once again.

She needed to feel someone else's cum trickling out of her pussy. Will it be you?

Sasha

4th Of July Slut

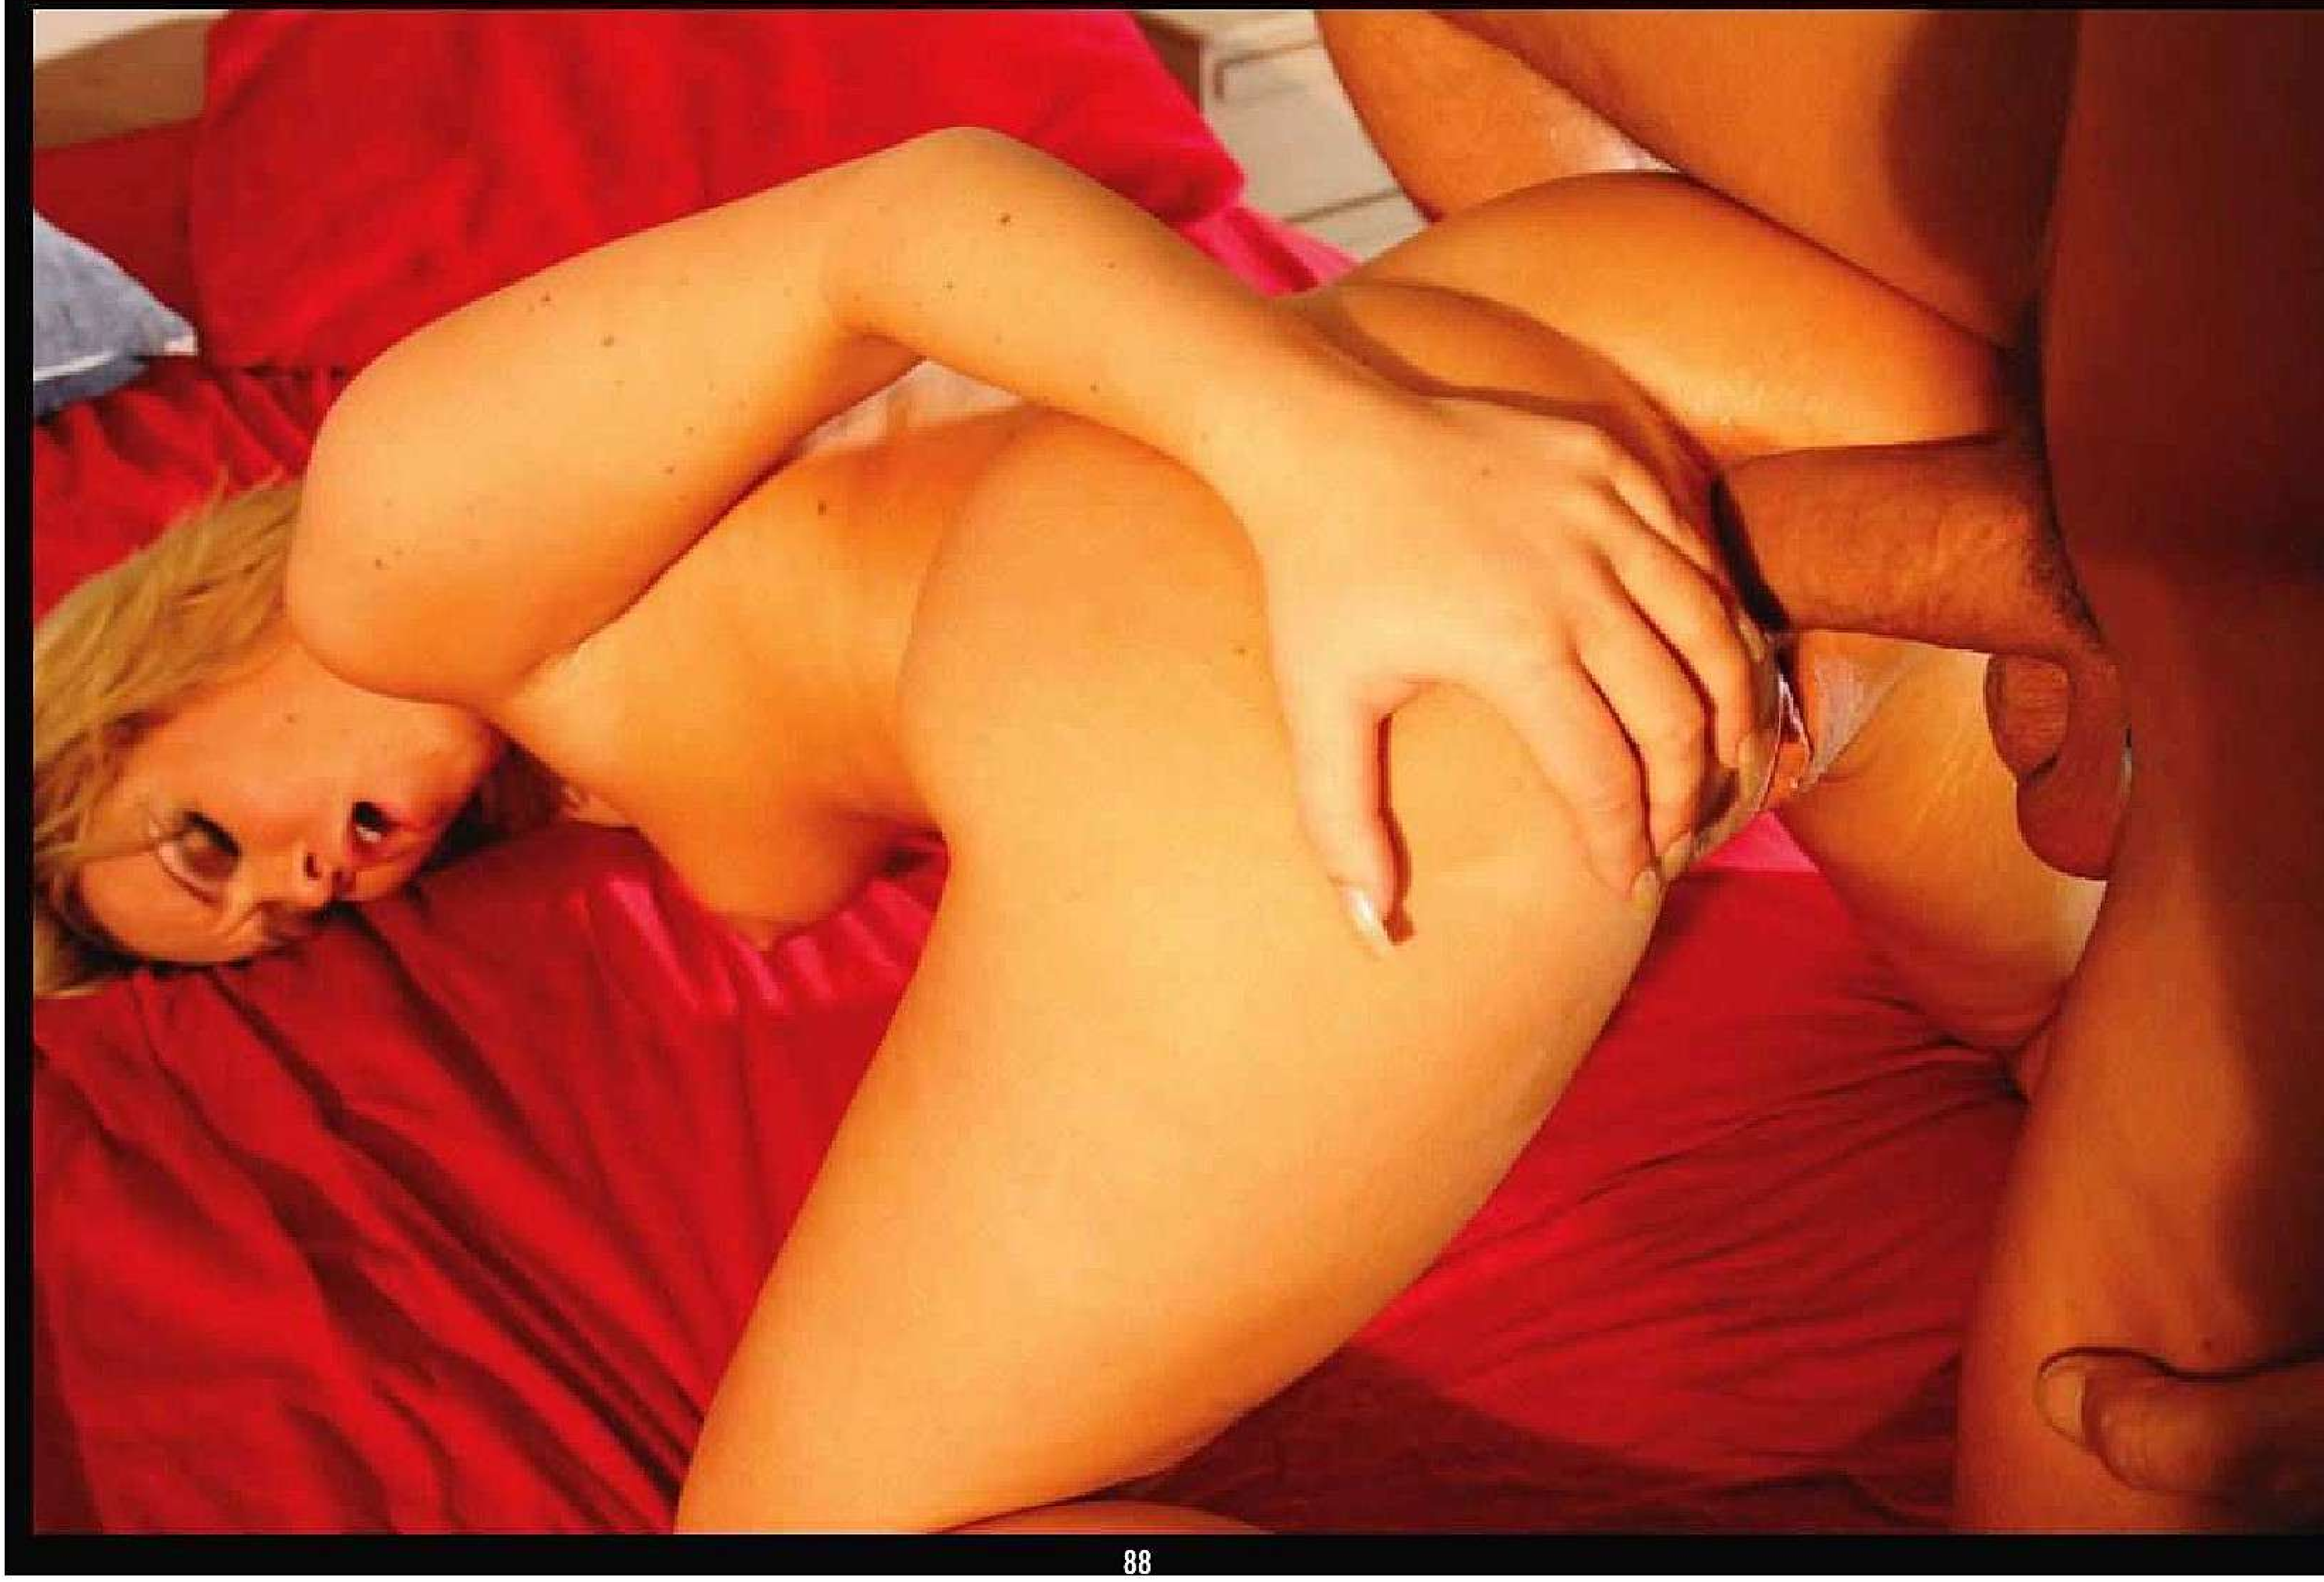
Sasha's usually the good and dutiful wife for most of the time, the exception being when she's at a party and knocks back a few too many drinks. Then her inner slut comes out and she starts flirting with anybody and everybody. Her husband loves her, a lot, and that's why he doesn't mind the rare occasions when his wife gets into this state. What harm is there in flirting, right.

Well, at this year's party, things got a little out of hand and there was no turning back—the slut had met her match.

Hubbie had a few too many himself and passsed out in the corner. Jim here, who's had his eye on her for awhile decided to make his move and before you knew it he had a facefull of sweet pussy

She might have been a little tipsy but there's no mistaking the sensation of having another man's dick in her mouth,

It was years since she's gotten fucked so hard.



She couldn't believe what she was doing, first time anal, oh so good.

Want to be at her next party?

RIGGED

After finally getting home from a long haul on the road, you'd think I'd be mad to find my wife with a cock up her pussy. But I wasn't. I was damn excited, put the hammer down on wifey's ass.

I got in the door and threw my bag down on the floor, was about to yell out for Denise – she's usually all over me, horny as hell herself after a road trip – when I heard moaning and groaning coming from down the hall. "What the fuck!? I snarled, instantly balling my fists for combat.

Denise is one hot piece of tail, with long blonde hair and big blue eyes and huge, thick chest bumpers; a slim waist, shapely legs, and a juicy twat. So I'm always ready to fight all-comers to keep her mine.

I stomped down the hall, the moans getting louder and louder. Denise's voice, dripping with passion like I'd heard her a thousand bed-rattling times before. The bitch was close to coming.

I kicked the bedroom door open and bellowed, "That chassis's mine to drive, asshole!"

And then my anger steamed out of my ears and my eyes went from slits to saucers. Denise was getting fucked, all right. She was riding up on top on our bed, naked as a jaybird; riding a big, fat pink cock with her quim. Only the person underneath her, gripping my wife's hanging jugs and staring at me, was a woman – our new next-door neighbor Irene!

"What the-" I mumbled, gaping at the two women.

Irene is a voluptuous redhead with more curves, peaks, and valleys than the road through the Rockies. She had a dildo rigged to her hips, was fucking my wife with it, eye-poppingly naked as Denise.

"I-I just couldn't wait," Denise whimpered, her eyes filling with tears, her plump butt cheeks still churning. "I get so … lonely when you're on the road, Bill."

I swallowed, hard. The scene was straight out of a truck stop skin magazine – two beautiful chicks getting it on, you there to watch, maybe participate. I moved forward on stiffened legs, over to the side of the bed, stiffened dick bulging the front of my overalls.

"You are one hot-pussied bitch, Denise," I rasped, pretending to be still angry. I smacked her ass.

"Oh!" she cried, shuddering on top of Irene.

I smacked her ass again, her other ripe cheek this time, and she shuddered a second time, with equal pleasure. Both ladies could see the full-blown erection I was sporting as a hood ornament, and Irene winked at me, started pumping her hips again, fucking my wife's pussy.

I grinned back at the lusty, busty home-wrecker, staring at her big, splayed, creamy-white tits. I whacked Denise's butt with one hand, groped her own melons with the other. She moaned, plunging her hands down onto Irene's knockers and undulating her blushing booty, fucking herself on that dildo in rhythm to Irene fucking her with that dildo.

I smacked Denise's ass harder, making her cheeks burn red, mauling her tits even rougher, urging the pair of women on. I was as hard as the petrified forest in Arizona, hot as the salt flats in Utah.

"Why don't you stick that big, hard cock of yours in your wife's bum?" Irene suggested, her green eyes flashing 'go' for it. "Fuck her butt while I fuck her pussy."

Denise twisted her bobbing head

around and glared at me, raw hunger in her eyes.

I gave her bouncing derriere a few more choice swats. Then I stripped off my overalls and t-shirt and underwear, climbed up onto the creaking bed. My cock was a piece of pig iron between my legs. There was no way I could couple my wife's tiny browneye without some form of lubrication.

Irene had thought of everything, the wicked wench. She pulled a small bottle out from under the pillow and tossed it at me. I greased my rod but good, scrubbed Denise's soft, deep butt cleavage with my slippery digits in preparation.

Then I crouched closer, stuck the bloated tip of my slammer in between my wife's seat cushions. She leaned forward, moaning, twisting Irene's nipples. I squished my cap up against her pucker, popped through, plunged fire-forged steel into her chute.

"Fuck!" I grunted, going all the way in, feeling the incredible heat and tightness all through me.

Irene pumped, I pumped, the pair of us DP'ing sweet Denise. She gasped with delight, rocking back and forth, dong churning her cunt, cock pistoning her ass. The bed just about broke in two, Irene and I fucking faster and faster. Grabbing onto Denise's flopping tits for support, I absolutely hammered her gripping anus, feeling Irene's dildo stretching and stroking her twat on the other side. Denise screamed, shaking with double-barreled orgasm. I roared and poured, blasting steaming seed deep into her tailpipe, staring at the beautiful, bountiful redhead fucking my wife.

I had a long haul at home after that, the loads between my legs enough to handle two women.
